

## **YOUNG ENTERPRISE SCOTLAND EXAMINATION**

**To be taken during the period  
Monday 10 February to Friday 21<sup>st</sup> February 2020**

**Time Allowed: 1½ hours**

Candidates are allowed 10 minutes to read the guidance notes before the start of the examination.

### **Examination Guidance Notes**

**Please answer only four questions in total; both questions in Section A and any two questions from section B.**

The purpose of the examination is to give you the opportunity to show what you have contributed and gained from the Young Enterprise Scotland programme. The examiners expect a wide range of individual reflection so be as honest as you can. There are no right or wrong answers. This is your opportunity to show you tried to make your programme a success.

Examiners want to know how beneficial it was to your learning and development and to your understanding of the practical elements of starting and running a business.

Please highlight the skills and talents you brought to the project, this can help you evaluate your strengths and weaknesses and prove useful when looking at your future learning and career choices.

Write clearly, good answers can be lost behind bad hand writing. It may be helpful to use the prompts for guidance and structure. Please feel free to use graphics and diagrams to illustrate (e.g. using a quadrant for S.W.O.T. analysis).

Please make sure you give equal time to each question. All questions carry equal marks .
